Serving Christ and West Leigh since 1919.

At St. Margaret's we are orthodox and traditional in our beliefs and practice as a parish church within the Church of England for the whole community; this essentially means that we welcome all people who live, work and pass through our parish and we would seek to serve them regardless of age gender denomination, faith background or none. We are not perfect but try our best to honour God and all his people with the resources we have and you are welcome to help us be a little better.

For enquiries about baptism, confirmation, marriage, funerals personal confession or counselling in your parish please speak to the Parish Priest.

Lent

Lent begins with Ash Wednesday, one of the holiest days of the year. We are reminded of our mortality and total dependence on God. Lent is a time not for false solemnity but for honest personal and collective reflection before God in order that we might more fully experience the joy of Easter – God’s gift of new life through Christ’s resurrection. It is a time when we ought to study and practice our faith more conscientiously

HOLY WEEK AND EASTER

This is our most important week as a living worshipping community. We enter into the last week or our risen Lord’s earthly life; into Christ’s passion and the life of His disciples that we may more fully experience His risen presence. The Church throughout the world does this in prayer worship and fellowship and we join in with that. It is an entire week a whole week of joy to discover afresh

Pentecost (Whitsunday)

After Christmas and Easter this is the most important feast of the year when all Christians should make their communion. We celebrate the gift of the Holy Spirit to the church, the same spirit that Christ promised to His disciples to strengthen them in their mission to the world and comfort them in need. It is often the time when new Christians are baptised and confirmed.
